Conference

With its 20 bedrooms and many well-equipped conference rooms with a seating capacity of 5 to 200 people, Furuboda Conference Centre is a highly appreciated conference and recreation destination. Our 10-room annexe offers a budget alternative. At certain times of the year, we can also use Furuboda Folk High School's 50 handicap-accessible rooms and classrooms.

For the small conference team, our unique beach house offers a peaceful setting. The impressive sound and sight of waves from the Baltic Sea lapping the beach, contribute to the best possible conditions for inspiration and creation. Open your senses and enjoy. In good weather you can open the panorama doors onto the terrace. In the evening, what could be better than a grill buffet under the stars, illuminated by burning torches. Ideal for those who are looking for something a little extra for their conference.

After a day in conference, it's good to get some exercise. Furuboda's setting is not just relaxing and beautiful. Our sports and swimming facilities offer great scope for activities. With a picnic basket and bike from us you can enjoy an excursion to the beaches. Or choose among the activities in our special programme of activities. It almost goes without saying that this is a golfer's paradise, with 7 golf courses within a forty-kilometre radius.

Compose your own conference menu! You and your colleagues are guaranteed to find something memorable from the choice of delectable dishes our chef can offer. An exciting alternative to our three-course menu is to choose one of our buffets. What about a grill buffet, or a 'monastery' buffet? Or how about a trip on a raft with a shellfish buffet? Whatever you want to order, we have the resources.

A conference with a difference

Furuboda Conference Centre is the alternative for everyone. Year round. Spring, summer, autumn and winter, Furuboda displays the best of the Swedish East Coast. In addition to the beautiful peaceful environment and healthy Swedish home cooking, there are opportunities for many meaningful activities. We can also offer courses, recreation, seminars and lectures on different topics. We often arrange evening and weekend programmes of music and culture. Furuboda Conference Centre is a little different, a little more.
